Narrative Summary:

Austin Peay built up a substantial point lead midway through the round but Georgia College made a fantastic run late to get within 100 points of the lead going into the Final Jeopardy (FJ) question. Austin Peay wagered just enough at the end and edged out Georgia College by 1 point and forced Georgia College to take second place. Third place Elon joined Austin Peay and Georgia College in correctly answering the FJ question. Armstrong St. finished in fourth place.
