	Stephen Mosley	Jr	Mathematics/Physics
	Spencer Shortt	Sr	Mathematics/Physics
Methodist			
Fourth Place (5)	Christian Austin	Sr	Mathematics/Comp. Sci.
	Elvis Kahrić	Sr	Mathematics/Comp. Sci.
	Erdashaw Tonja	Jr	Mathematics/Industrial Eng.
	Alexandre Yano	Sr	Mathematics

Narrative Summary:

Early in the round there was a consistent three-way lead change between Western, Methodist, and Belmont with Belmont forging ahead. Into the Final Jeopardy question, Belmont was 2200 points ahead of Western Carolina with Methodist a distant third. However, Western was the only school to answer the FJ question correctly and their strategic bet of 1100 points secured first place by a single point. Belmont took second place with Georgia College and Methodist University taking taking third and fourth places, respectively.
