

**Problem Set 7:**  
*Greedy Algorithms II*

---

**Due: Thursday, March 6, 2014, at the beginning of class**

---

1. Work problem 16-2 (page 447, “Scheduling to minimize average completion time”).
2. Work exercise 23.1-10 on page 630 (“Given a graph…”).
3. Work problem 23-1, parts a and b, on page 638 (“Second-best MST”).
