Academic Dishonesty: Will NOT be tolerated and NO WARNINGS will be given. It is the responsibility of the student to review UT policy and procedures in this area since they will be strictly adhered to. Cheating will result in an F in the course, and possible university sanctions.

Cell phones, texting, should be turned off during class, (b) all HW will be stapled and neatly done; grader or instructor reserves the right to not grade unacceptable HW, (c) students will come to class on time and will not leave early, unless prior arrangements have been made, (d) quizzes without names will not be accepted, (d) using a laptop or other portable electronic devices for reasons other than class use will not be tolerated. Students having to miss a class when HW is due can hand in the HW early.

Because at least 2 of the lowest quiz grades will be dropped, there will be no make-up quizzes for any reason. Therefore, students should attend every class, so that in the event of an emergency, or something else unexpected, and have to miss a class when a quiz was given, it won’t adversely affect their grade.
