Questions for Points Policy

• To encourage you to ask questions
• 2% point for each question you ask
  • Today: 2% * 5 = 0.1 in your final grade
  • Final: 2% * 15 = 0.3 in your final grade
• More questions, more points
• May become a big deal when points add up
  • And if you are at the edge between A and B
• This policy only applies to project presentations
